PAUL 'WIGGY' WADE-WILLIAMS

TALES OF DARING ADVENTURE! IS YOUR HERO UP TO THE CHALLENGE?

When a friend says he has important information he wants to discuss, you know it's the start of something big! Nazi agents, deadly Amazonian flesh eating insects, a kidnapped reporter, and a daring raid on Washington D.C. are all in a day's work for heroes who want *To End All Wars!*

A missing scientist, a villain with plans of becoming a king, ancient puzzles, a deadly maze, a mythical creature that is not all the legends say it is, and a book whose contents could spell the end of mankind all mean its *Chaos on Crete!*
