

## LUCIEN (HERALD)

You are Sir David's herald and right hand man. Your voice is that of your lord, and you handle his day-to-day affairs, which include dealing with the retinue, welcoming guests, carrying messages, and the like. Short sighted and sickly, your parents had hoped you'd become a knight, what with them being of good stock and all, but no one would train you. Although your parents consider a herald a lowly position, you have the ear of a knight and all the authority you need.
