

SIR DAVID OF WINCHESTER (KNIGHT)

You are Sir David of Winchester, noble knight of the realm and self-appointed defender of the meek and poor. Although you own a fine manor, you and your retinue spend much of your time on the road, looking for problems to solve and people to help. A deep scar runs from the corner of your left eye to the right corner of your mouth, a “present” from a rival at a joust. You’re a fighting man by trade, so your herald handles much of the humdrum daily affairs your title imposes on you.
