

SISTER AGATHA (NUN)

You are Sir David's personal confessor and spiritual advisor. You gave up a life of luxuriant pampering as a young noblewoman for one of prayers, quiet contemplation, and healing the sick. You joined Sir David's retinue because, being born of noble blood, you understood the temptations he would suffer in life. Your other duties include watching over the spiritual wellbeing of the retinue, whose members have a habit of deluging in all manner of vices if given half a chance. You also tutor Robert the Younger, though he makes a poor pupil.
